

## Operation PETS has cancelled ALL spay/neuter appointments from March 18<sup>th</sup> through March 27<sup>th</sup>, 2020!!!!

We are reaching out to the friends of Operation PETS as the coronavirus (COVID-19) is impacting our communities more and more each day. We have been closely following the guidelines of the CDC as well as our state and local officials.

Due to the current circumstances, and to protect the health of our staff, volunteers & patrons, we will be cancelling our spay/neuter appointments from March 18<sup>th</sup> through March 27<sup>th</sup>, 2020.

We will continue to monitor the County, State and Federal government recommendations regarding our work status and will update Facebook accordingly, when more information is available. Staff will NOT be in the office, please do not leave a phone message. Your payment will remain on deposit and once we return to the office we will contact you to reschedule your appointment in the order it was made. We appreciate your ongoing support, as we continue to provide affordable spay and neuter services to cats and dogs in WNY.
